

TreQuan Townsend

November 3, 2004 - August 4, 2016

TreQuan Laron Townsend was born on November 2, 2004 at Shore Memorial Hospital. He departed this life on August 4, 2016. He was the son of Terence Logan and Shakiera Wilson.

He attended Accomac Elementary School.

He was so energetic and full of life. He had a big impact on a lot of lives. He loved playing basketball and video games. He loved to cook and was always right beside me watching as I cooked. Grandma Viv and Pop Meat played a big part in his life. He used to copy everything Pop-pop did. He would even walk around the house with his shirt off trying to be like Pop-pop. He and his Pop-pop stayed arguing. It would be so funny to hear those two. When he couldn't get his way he would always run to grandma Viv. We have a lot of memories and he will always be in our hearts. To me he's not in heaven he's still here with me because I carry him in my heart everyday.

TreQuan and his uncle Man Man (Clarence Wilson) were always together and had an unbreakable bond. His grandma Marcella was his heart. He would call her everyday and say "Grandma I'm hungry can you cook for me?" he will truly be missed
