

Trudy LaJuan Conway

December 10, 1963 - October 25, 2021

Trudy LaJuan Jones Conway, beloved daughter of Mary Wilson Jones and Rayfield Jones, was born on December 10, 1963 in Salisbury, Maryland. On Monday, October 25, 2021, Trudy departed from this life peacefully at home.

Trudy received her formal education in the public schools of Wicomico County, graduating from Parkside High School in Salisbury, Maryland. She attended Delmarva Beauty Academy and became a Certified Cosmetologist . She then furthered her education at Sojourner Douglass and Wor-Wic Community College.

Trudy, aka Reds, was such a loving spirit. She loved to cook and spend time with her family. She could make a variety of dishes, but one of her favorite dishes to make was pig feet or as she called them, "Trotters." She would often get her mother to make fresh collard greens and candied yams to go with her "Trotters."

She had a very unique way with words. We all know Trudy could put words together so quickly and have you laughing all night long. It was never a dull moment with her. She also enjoyed reading a good book and would finish a James Patterson novel in a day. She loved listening to gospel music, going to church and reading the Bible. Trudy also enjoyed listening to Whitney Houston as well.

Employed by Shore Up! Incorporated for over sixteen (16) years, she loved her job because she loved spending time with the kids. She later relocated to Baltimore, Maryland and was then employed by the Social Security Administration, as well as LaPetite Academy. At the time of her passing, Trudy was employed by Kiddie Academy. In addition to cooking, her passion has always been taking care of others and she was great at both. She was also blessed to be a member of "Mother Of Pearls."

Precious and loving memories of Trudy's life will be cherished by: her mother, Mary W. Jones and father Rayfield Jones; three children, Allan Purnell, Jr, Sheree Garner "Muff" and Tara Smith "Tpot"; two sisters, Dana Jones "Fig" and Tiffany Jones; five brothers, Karlus Jones, Dewayne Jones, Jovan Jones, Darryl Jones and Laforrest Roxbury; her (Fab 5 grandchildren) as she affectionately called them, Jada Patton, Shakur Drew, Alorah Patton, Gavin Purnell and Ava Purnell; three god children, Takeisha Bivens, Jasmine Brawner, and Shaquille Domonique Cherrece; two special nieces, Kadijah Jones and Kyana A. (Boop Boop); another special daughter, Ebony Johnson (Chunky), as she called her; her favorite cousin whom she called brother, Rodney Grant; a very devoted, special friend of thirty-nine (39) years, Robin Buren and a host of special cousins, family, friends and co-workers.

She will be dearly missed by everyone who had the pleasure of knowing her and being a part of her life.

“ Ms. Trudy,
Even though you were with our Klddie Academy family for such a short period of time you left such a big impact on us. You were so very much loved by all of us and all the children. I can still hear you saying, “Good Morning Ms. Nimita” every morning when I came into work. I miss you so dearly but am comforted by the fact that you are now home. Your love and your big personality will never be forgotten. Love and peace to you always. 🙏❤️🌸

“ *Ms. Trudy,
Although our time together was short I felt that I knew you for a lifetime . Knowing you are at peace makes my heart warm. You were always so sweet and kind to everyone. Everything you did you did it with love. I could talk to you about anything. You were so strong and such a fighter, you words will forever make me laugh and smile as you would say “Cause honey today is going to be a great day”. 😊 and that honey it was! The time I got to spend with you may have been short but your presence and memory will forever be cherished. Love you always💜*

*To Ms. Trudy’s family,
My condolences to you all and may prayers and love hold you all close. It was such A blessing to meet such an amazing phenomenal woman. My thoughts and prayer to you all.*

“ My feelings are hurt. I feel selfish by saying “I wish she was still here” knowing God had other plans for her life. To have known Ms. Trudy was such an honor. Her life to anyone who met her was purposeful. I unfortunately only met Ms. Trudy a few months ago. I wish I had known her longer. But for the season she was in my life it was impacting. Her energy and spirit was felt the minute she would walk through the doors at Kiddie Academy. I would say “Hey Ms. Trudy” and she’d follow with “Heeyyyy Ms. Ashley girl, I have some oranges🍊 for you.” I wish that Thursday wasn’t my last time seeing you. I will miss you and our conversations. I pray that God covers everyone affected by the loss of Ms. Trudy. I pray that your soul is resting peacefully with our Heavenly Father.

“ Mrs Trudy had a beautiful spirit she brought a brightness to Kiddie Academy. I was just fascinated that she came and ran the kitchen with ease and the children and us teachers enjoyed her cooking. That extra love she put into the food will definitely be missed. I was looking forward to coming back and conversing with you Mrs Trudy. Rest In Paradise I will forever remember your smile especially when I walk into work. 😊

“ Ms. Trudy I'm not sure where to start or even what to say 😞 so I'll just keep it simple. You were truly an inspiration ✨ and one with words. Kiddie Academy has not been the same since you were called home. Although we have only had a short period of time with you, you have made a huge impact and will FOREVER remembered. No more worries, no more stress just love, light, and happiness. Shine on babe 🙏 Love 💕 Ms. Sabryna (Kiddie Academy)

“ Ms.Trudy brought Kiddie Academy to L.I.F.E her spirit and soul was so loving. Even though I haven't known her that long she was like a Big sister to me that always kept a smile on her face. She always had something funny to say and she ain't take no crap from no one. I can go on and on but I won't . Love you Ms.Trudy you really had a big impact in my life in such a short time period . I wish you wasn't called him so quick. I didn't think Friday would've been the last time I heard your beautiful voice or face and that makes me sad. I walk past the kitchen door everyday expecting to see your smile , hear your gospel music playing . The talks we had will be with me forever. My condolences to your family. Rest in heaven you beautiful angel , you will never be forgotten.
