“ Tyree, How do I say goodbye? I will miss our 2am talks until one of us got tired. Thank you for always calling and checking on me to make sure I was good. I will always treasure those conversations and our family times when we were together. So I guess it's not goodbye, but farewell until we see each other again. You'll be in great company. I love you so much and you will be in my heart forever.

“ Tyree I still can't believe that you passed, it seems like you should be here. I'm thankful that we had a chance to connect in Atlantic City that time and I was hoping that we would get to hang out in Brooklyn as you invited me and my friends. Thanks for all of the support & love over the years. Rest well, you will always be remembered & missed. Love, Miranda
