

## Valarie Ellen Harmon

May 4, 1951 - March 26, 2023

Valarie B. Harmon was born May 4th, 1951 to the late McKinley Barclay Sr., the late Alberta Barclay. On March 26th, 2023, she was ushered into the Pearly Gates of Heaven.

She received her education in the Wicomico County Public School system. She later then, received her Bachelor Degree from Salisbury State College. After college, she had various employments such as working for State Government, Woolco, Lake View Manner, and Wicomico Board of Education. She recently retired in November 2022 from Wicomico Board of Education after 25 years.

Valarie wore many hats ie...Mother, Wife, Teacher, Motivator, Educator, and most importantly, she was well known as Head Usher of Salisbury Evangelistic Church Of Deliverance. When you walked through the doors of S.E.C.D., she greeted you with a smile, and a napkin if you were chewing gum. Valarie personality was unmatched. She was very private, but yet always knew how to bring a smile to your face with text or card in the mail. She enjoyed going to Walmart, Sam's Club, and Dollar Tree. Her favorite clapback line when asked a question, "And what you going to do with the information."

Valarie leaves to cherish her memories: Three Children, Andre' Scott Sr., Jabbar Harmon, Valdez Harmon; Daughter in Love Kristin Gale, Goddaughter Natia' Gibson; brother, Randy Barclay; her sister, Pamela Barclay; 10 Grandchildren; Andre Scott Jr, Tori Shaw, Melodee Evans, Shakera Scott,

“ I had the privilege of working with Mrs. Harmon at Prince Street Elementary School and will always remember her as a prayer warrior. First Thessalonians 5:17 says that we are to pray without ceasing and Mrs. Harmon modeled that for us daily. She intentionally spoke positivity into those she encountered, both staff and students. Mrs. Harmon was a quiet leader and a highly revered member of the staff. She was very maternal and genuinely cared for the students with whom she worked. I will miss her tremendously and offer condolences to the family.

*Respectfully,*

“ We here at Prince Street loved Ms. Harmon. She worked here for about 20 years and has touched many lives. As part of the special education team, she worked with many students helping them to reach their educational goals. As part of the prayer group, she often prayed for and with us. As part of the CAT Club, she worked with 5th graders who broadcasted the morning announcements and those in the Oratorical contest making sure they enunciated their words. She was proud of her children and grandchildren and often shared stories about them. Her sense of humor, her presence, and her prayers will be greatly missed.

Condolences and much love to the Harmon family,

I worked with Mrs. Harmon at Prince Street School for many years. Her love of children, high expectations, and sense of humor made her an amazing person to work with. Her faith was evident and shared on a daily basis. She will be missed by all who knew and loved her. I was truly blessed to call Mrs. Harmon a friend.

Prayers and comfort for the Harmon Family
