“ *To The Family:*

I am so sorry for your loss. I know it is very difficult when a loved one passes away. Something that has helped me to cope during such difficult times is the Bible's promise of a resurrection of our dead loved ones (Acts 24:15). The Bible also indicates that God will shortly step in to fix the world's problems and turn the earth back into a paradise, just like He originally intended when he created Adam and Eve. May you find a measure of comfort from Revelation 21:3,4 which says that soon, "God will wipe out every tear from our eyes and death will be no more". Your family is in my thoughts and prayers!
