“ *Where do I begin? All I can remember growing up is going over aunt Dee's with Poppop! I've always enjoyed the laughter the hugs and kisses everytime we saw each other. Always asking about Jay boy. I am so blessed to have shared so many memories and good times but you will be missed. Love you always Nell 🥹*

My picture partner would smile, shake her head, call me her brown penny and lean in for our moment together. She would just grin and pat my hand. ❤️👄

“ *Aunt Vietta has always been a pleasure to be around and normally with a Big Smile to greet you with! When growing up, she would always cook something special for when I would visit them on a weekend. The best: Pies, bread, main dishes, you name it she provided! I was spoiled and enjoyed it! She will definitely be missed, Yet she knew she was very much Loved! 💕💕*
