“ I have fond memories working with Ginny at Edgehill in Laurel. We shared many good times. As a seventeen year old, with my first job, Ginn taught me a great deal about life. I can still hear her infectious laugh. I will cherish the fond memories.

“ Aunt Ginny you always were Great at making a laugh. It was always nice being around you, your funniness, laughter, & wisdom. I could always go to or call you for any reason and never be shut out or feel like it was a bother. Your brother Paul, (my Poppop) was the same way. I admired you both. I will never forget when my Son passed, it was You who reached out to me to help get me out of my depression. We went on some terrific trips, but I would have enjoyed being able to take you on your dream trip (California). I hope one day I could go in honor of your memory. You are truly missed and one of a kind Aunt Ginny ... Love, Great Nephew Paul XO

Ginny, what a blessing it has been to have you as my friend. Loved taking you to lunch with the Windows group, shopping trips with you n Flo and I would wait in the car while you two shopped, going to shows at the church in Camden, just to name a few memories. Will love and miss you and your love and friendship to me. Till we meet again
