Vivian's at peace now and with the angels. Keep her in your heart and she will always be close by. Sending prayers to your family during this difficult time. Harry DiPalma.

“ My Viv, I am still lost for words, but I know you are in the arms of Jesus. I am going to miss you so much, your humble spirit, quiet but powerful. You didn\u2019t have to be in the front, you did your work behind the scene and you didn\u2019t judge people, that is one of the things I will remember about you. You would give the shirt off your back, and you encouraged and loved with such a pure heart. Until we met on the other side, I love you Viv. To Mr. Earl and the family we are praying for you all.
