“ I extend my deepest sympathy to Kenny Langston's family and friends! Kenny was a wonderful young man and I sure will miss him! An example of his outstanding character and kindness is that he called me every week or so for the past several months as to find out how well I was recovering from some physical problems. He was an exemplary teacher who really cared about his students and tried to help them in many ways in and out of school. Kenny was an excellent role model and I highly respect him and was privileged to have him as my friend! May God bless him and his family! Earl Bloom, Sarasota,FL
