“ My condolences his family and friends, I pray that Almighty God and his son Jesus Christ will comfort you and help you through this time of grief. Mr. Billy was my father, JT Darns best friend, they were traveling buddies, hanging and getting in trouble buddies. He was always a loyal friend to my father and mother Belle, always there for them. He was a quiet man, that loved life and was willing to help anyone that needed help with a smile.

Ma Belle had a picture of Billy in his young years and I added that to memory board. Again my prayers or with the family and friends he will be missed.

“ *Sending prayers to my Family in this season when the storm is passing. Billie was always that cousin who you enjoyed being around. Loved the time we spent growing up and as adults he could always put a smile on your face. Love you guys*
