“ Hey Nate:

Sending this message to you in Heaven. Your children did not give us the opportunity to say good-bye. Why they would lay you out in Dover behooves me because all the people you knew and lived around were up here in Wilmington but anyways that was their choice. I miss you very much. You were always a good friend and I enjoyed conversing with you. I finally got my place down in the boondocks of Newark but it is mine. Had to cut Delaware Park loose so I can pay my bills. So much I could tell you but time does not permit. I will always remember you. Rest Eazy, my friend, Rest Eazy!!!
