“ *To Dorothy and the Family of Lil Flip.... It is indeed with a heart saddened by Your loss that I send these words to you. Certainly, I remember Lil Flip, just as I remember Brenda and Gail and Barbara Jean.... Although I'm from Berlin, I had the opportunity to know them All and I'm a Classmate and Friend.... Of Lil Dot. I'm so very Sorry to know that your family has to endure yet another Beloved One to go on before us but I grieve with You and not just for You..... Please know that The Class of 1967 joins with The Waters Family and our Classmate Dorothy in praising GOD for the time we've had with Lil Flip, quite a character as I remember..... As a person I spent a coupla hours on Covington Street, and remember the family well..... GOD Bless All of You and We pray The Lord will give You Strength in Your time if need.....Gregory Purnell...
